I commit myself as a member of Homecoming Farm, a Community Supported Agriculture project, by sharing the economic responsibilities as well as the bounty of vegetables from this farm. I understand that the farmer is committed, (to the best of his/her ability, working with nature and the community's help), to grow produce using organic methods. I understand this is a community-supported effort and I agree to make the payment listed below aware of the risks involved in the success or failure of the farm due to crop difficulties, inclement weather, etc. I am also aware that \$100 of my payment is tax deductible and will be used to help defray the cost of growing food for the hungry. I also agree to share a minimum of 15 hours working either on or for the benefit of the farm.

I understand that these 15 hours are per individual/family and for the good of the farm community; and enable me (and my family) to connect with the Earth, and help to grow the community; therefore, the time is per visit, not per person. If I cannot meet this requirement, I understand I will be charged an additional \$100.

I understand that in the case of severe weather the pick-up day may be cancelled and need to be rescheduled.

I understand it is my responsibility to check the Farm Hotline (631-842-6000, Extension 333), before coming to the farm to ensure there has not been a change in the schedule.

I understand that if I decide to share with another family, this is a private agreement between me and the other family, and the farm staff is not responsible for keeping these records, or the tax deduction.

I understand that if I am unable to come for my pick-up, unless I send someone in my place, my food will be donated to a food pantry. I cannot re-schedule my pick-up date to accommodate vacations.

I understand that when harvesting food for myself, my family, and other members, I am also harvesting food for the guests of The Interfaith Nutrition Network, (The INN).

I understand that many of the members are photographers and they may take my picture while I am at the farm. These pictures may show up in printed materials, presentations and the website for Homecoming Farm.

I understand that I can make a copy of this agreement and it will serve as the record of my \$100 tax deduction.
